Paula Everett

FREESTYLE (DANCING WITH YOUR DOG) WORKSHOP

Paula Everett saw freestyle more than 12 years ago at a DogSkills Camp. Immediately she knew that this was the dog activity for her. The rest has been a journey of spinning dogs, new friends, and music genre she never thought she would listen to much less dance to....you see, she was a rock n' roller! Paula has titled ten dogs at various levels, including advanced titles in heelwork and freestyle, and Perfect Dance teamed with her Beardie, Andy. She loves seeing the dogs and their people creating and learning while listening to great songs. Workshop topics include;
